IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Attorney Docket No. RU-0103-US

Inventors: Ghai et al.

Serial No.: 10/088,664

Group Art Unit No.: Not yet known

Filed: March 20, 2002

Examiner: Not yet known

For: Extracts of Orange Peel for Prevention and Treatment of Cancer

Commissioner for Patents
Washington, D.C. 20231

INFORMATION DISCLOSURE STATEMENT

Sir:

Applicant submits herewith copies of the references or other information, listed in substitute Form PTO-1449, of which it is aware that it believes may be material to the examination of this application, and in respect of which, there may be a duty to disclose under 37 C.F.R. § 1.56 and in accordance with 37 C.F.R. §§ 1.97-1.98. The Examiner is requested to initial one copy of Form 1449 and return same to the undersigned.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists. Legible copies of all items listed in the substitute Form PTO-1449 accompany this statement.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.
